Estaño	140gr (con tapa)	266 envases/bolsa	h=80 mm

  

The diagram illustrates the container's structure. It shows a cylindrical body with a diameter labeled 'd' and a height labeled 'h'. The components are labeled as follows: 'TAPA' (lid) at the top, 'ANILLO' (rim) at the top edge of the body, and 'FONDO' (bottom) at the base. The lid is shown as a separate component above the main body.
